### 2415.04 PARENTAL INVOLVEMENT

A school district that receives Title I funds must implement programs, activities and procedures for the involvement of parents in programs assisted by Title I funding. The district will reserve not less than one percent of its allocation under subpart 2 to carry out these requirements, which shall include promoting family literacy and parenting skills. Parents of pupils receiving Title I services shall be involved in the decisions regarding how funds will be allotted for parental involvement activities. The district is not required to reserve at least one percent of its allocation under Subpart 2 if the one percent of the district's allocation is \$5,000.00 or less.

Each school served with Title I funds shall jointly develop with, and distribute to, parents of participating pupils, this parental involvement policy, agreed on by such parents, that shall describe the means for carrying out the requirements of No Child Left Behind Act (NCLB) of 2001, §1119(a) through (f). Parents will be notified of this policy in an understandable and uniform format and, to the extent practicable, provided in a language the parents can understand. This policy shall be made available to the local community and updated periodically to meet the changing needs of parents and schools within the district.

"Parent", for the purposes of this policy, means a parent and/or legal guardian. "School", for the purposes of this policy, is a specific school in a Target Assistance Title I program or schools within the district in a school-wide Title I program.

#### Policy Involvement

Each school served with Title I funds will:

1. Convene an annual meeting, at a convenient time, to which all parents of participating pupils shall be invited and encouraged to

attend, to inform parents of their school's participation and the requirements of this Policy, and the right of the parents to be involved;

2. Offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parental involvement;

3. Involve parents, in an organized, ongoing, and timely way, in the planning, review, and improvement of programs, including the planning, review, and improvement of the school parental involvement policy and the joint development of the school-wide program plan under NCLB, §1114(b)(2);

4. Provide parents of participating pupils:

a. timely information about programs required by NCLB, §1118;

b. a description and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress, and the proficiency levels students are expected to meet; and

c. if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible; and

5. Submit any parent comments on the plan when the school makes the plan available to the Board of Education, if the school-wide program plan under §1114(b)(2) of NCLB is not satisfactory to the parents of participating pupils.

#### Shared Responsibilities For High Student Academic Achievement

Each school served by Title I funds shall jointly develop with parents of all pupils served with Title I funds, a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. The compact will:

1. Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the pupils served by Title I funds to meet the State's student academic achievement standards, and the ways in which each parent will be responsible for supporting their children's learning, such as monitoring attendance, homework completion, and television watching; volunteering in their child's classroom; and

participating, as appropriate, in decisions relating to the education of their children and positive use of extracurricular time; and

2. Address the importance of communication between teachers and parents on an ongoing basis through, at a minimum:

a. parent-teacher conferences in elementary schools, at least annually, during which the compact shall be discussed as the compact relates to the individual pupil's achievement;

b. frequent reports to parents on their children's progress; and

c. reasonable access to staff, opportunities to volunteer and participate in their child's class, and observation of classroom activities.

#### Building Capacity For Involvement

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and school district assisted with Title I funds:

1. Shall provide assistance to parents of pupils served by the school in understanding such topics as the State's academic content standards and State student academic achievement standards, State and local academic assessments, the requirements of this Policy, and how to monitor a child's progress and work with educators to improve the achievement of their children;

2. Shall provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology, as appropriate, to foster parental involvement;

3. Shall educate teachers, pupil services personnel, Building Principals, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school;

4. Shall, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with Head Start, Reading First, Early Reading First, Even Start, the Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, and public preschool and other programs, and conduct other activities, such as parent resource centers, that encourage and support parents to more fully participate in the education of their children;

5. Shall ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of

The Superintendent of Schools will submit this Policy to the New Jersey Department of Education for review to be sure the Policy meets the requirements of NCLB, §1118.
